1. Home4Christmas

Although the weather outside is chilly
And the road goes on and on
But every mile there's a kiss
Fulfilling my wish
Hold you in my arms

I see the first snow on the hilltops
Passing hills adored in white
Every town that I pass behind me, at last
Soon I'll be holding you tight

Coming home on Christmas Eve
A moonlit starry sky
As I race through the night
My heart is in flight
The spirit of Christmas, oh my

The smell of cinnamon, cloves and rosemary
Ginger men cookies on the Christmas tree
Delicious holiday dishes, the missed tender kisses
And holding you close to me

Although the temperature outside is freezing
And the road keeps going on and on
But every mile there's a kiss
Fulfilling my wish
To hold you in my arms

Coming home on Christmas Eve
A moonlit starry sky
As I race through the night
My heart is in flight
The spirit of Christmas, oh my

(2x's) You know I've still
Got a long to go
I won't stop until
I get home for Christmas

Coming home on Christmas Eve
A moonlit starry sky
As I race through the night
My heart is in flight
The spirit of Christmas, oh my

2. WhenTheSnowFalls

When the snowfalls, I'm dreamin' of you

You just called to tell me you're on your way
Back home to me
So I'm putting my presents for you
Underneath the Christmas tree

When the snowfalls, I'm dreamin' of you

Outside the wind blows so I will light the fireplace
To keep us warm
I am waiting and praying you make it safe
Through the storm

When the snowfalls, I'm dreamin' of you
When the snowfalls, the only thing I'm askin' for is you
When the snowfalls, I really need you
When the snowfalls, the only thing I'm askin' for is you

When the snowfalls, I'm dreamin' of you

(2x's) Ooh, when the snowfalls I need you
I need you by my side

You better hurry 'cause I miss you so much

And you still so far apart
But when you finally walk through that door
There will be peace in my heart

(3x's) When the snowfalls, I'm dreamin' of you
When the snowfalls, the only thing I'm askin' for is you
When the snowfalls, I really need you
When the snowfalls, the only thing I'm askin' for is you

3. ShineBright

Let your light shine bright tonight, at the end of the year

Bells are ringin', children singin'
Frosty clouds will take your sorrows far away
It's the time of the year, you can see it bright and clear
That santa claus in near

The angels are singin', the sley bells are ringin'
'Cause santa is comin', the reindeers are runnin'
Merry Christmas and a Happy New Year

There is music, there is laughter
Comin' home to see our friends and family
And underneath the tree is some candy for you
And a little present too

The angels are singin', the sley bells are ringin'
'Cause santa is comin', the reindeers are runnin'
Merry Christmas and a Happy New Year

And when the snow falls from the sky
And all your friends are passing by
You know it's going to be
The best time of the year

The angels are singin', the sley bells are ringin'

'Cause santa is comin', the reindeers are runnin'
Merry Christmas and a Happy New Year

The angels are singin', the sley bells are ringin'
'Cause santa is comin', the reindeers are runnin'
Merry Christmas and a Happy New Year

Let your light shine bright tonight, at the end of the year

5. It'sChristmas

No matter where you are from
Come join us and sing along
'Cause it's Christmas time
The best time of the year

Let's come together and join the party
Around the world in every country
Don't be afraid there's love for everyone

'Cause it's Christmas
Wherever you are
Smiling faces everywhere
Feel that magic in the air
(2x's) 'Cause it's Christmas

Far and near, singing it loud and clear
Everybody from
Far and near, singing it loud and clear
Everybody from
One happy family
This world needs peace and harmony

Unite the human race
And make this world a better place

'Cause it's Christmas
It never gets old
Put a smile upon your face
And let me feel that sweet embrace
(2x's) 'Cause it's Christmas

Everyone is singin'
Christmas time is comin'
It's a celebration
All around the world
Everyone is happy
'Cause Christmas time is here

(2x's) 'Cause it's Christmas
Wherever you are
Smiling faces everywhere
Feel that magic in the air
(2x's) 'Cause it's Christmas

7. Mr.Grinch

You're a mean one Mr. Grinch
You really are a heel
You're cuddly as a catus
You're as charming as an eel, Mr. Grinch

(2x's) Mr. Grinch

You're a monster Mr. Grinch
Your heart's an empty hole
Your brain is full of spiders
You have garlic in your soul, Mr. Grinch

I won't touch you with a thirty nine and a half inch pole

You're a foul one Mr. Grinch
You've Termites in your smile
You have all the tenderness
Of a sea sick crocodile, Mr. Grinch

(2x's) Mr. Grinch

Given the choice between the two of you
I'd pick the sea sick crocodile

(4x's) Mr. Grinch
